This is the door I go into to get to my classroom.

Everyone feels nervous and maybe excited when they are starting something new.

It is ok to ask questions.

It is ok to not know what to do all the time.

Your teacher and teaching assistant will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Well done!

You are on the way to being ready for the next school year! Fantastic!
