

## Key Information

The children have had an excellent start in F1 and are beginning to learn the routines within the session. To help with this could we ask that all clothes and shoes are labelled, wellies are in school for wet days and spare clothes are brought in as accidents and spillages will happen when your children are being busy exploring their new environment.

We  
are  
all

# My Learning

F1

Autumn term

looking forward to an  
exciting year with your  
children!

Any questions or concerns  
please do come and speak  
to one of us.

The EYFS Team

This year we have created a bucket list of experiences your child will have during the autumn term in F1.

Alongside these experiences your child will be introduced to different subjects. We

will be developing speech and language skills through circle-time activities and singing sessions. Children will be developing their number skills through activities such as cooking, messy play. Our bucket list this term:

- Share with our class mates about our families.
- Enjoy investigating outdoors.

- Find out about different celebrations.
- Read lots of books together and retell stories in our own words.
- Be inspired to create and make in the art area.
- Construct and build indoors and outdoors.
- Discover different seasons.
- Participate in a Christmas performance.
