

Key Information

The children have had an excellent start in F2 and are starting to learn the routines and rules. To help with this could we ask that that all clothes and shoes are labelled, PE kit is brought in for Wednesdays, wellies are in school for wet days and spare pants are brought in as accidents will happen. We appreciate that dismissing children at the end of the day can be quite busy, however we

My Learning

F2

Autumn term

are making sure that all children are leaving school safely. This can take time so please bear with us whilst this happens.

We are all looking forward to an exciting year with your children! Any questions or concerns please do come and speak to one of us.

The EYFS Team

This year we have created a bucket list of experiences your child will have during the autumn term in F2.

Alongside these experiences your child will be introduced to different subjects.

Phonics will be one subject where they will learn sounds in words to help them read and write. Maths will focus on counting carefully and looking at shapes. Our bucket list this term:

- Share with our class mates about our families.
- Enjoy investigating outdoors.
- Find out about different celebrations.

- Read lots of books together and find out about different characters.
- Be inspired to create and make in the art area.
- Construct and build indoors and outdoors.
- Discover different seasons.
- Perform in a Christmas play.
