Dear Parents and Carers,

On Friday 29th April, we will be supporting the #Backingtheblues' campaign for Leicester City Football club in support of their triumphant Premiership success.

As organised by the Leicester Mercury, we will be hosting a blue dress up day. Children can come to school in blue non-school uniform or a Leicester City Football Club shirt. There will be sporting activities for the children to take part in at lunch time, in exchange for a small donation of 10p-20p. All money raised will be donated to LCFC Foxes Foundation which is a wonderful charity, supporting children and communities around Leicester.

We look forward to see you in blue to show your support.

Thank you,
