Dear Parents and Carers,

As we begin to plan for next year, we would really like to hear from the children about their thoughts and feelings about the next academic year.

In order to do this, we are asking for parents to help us by talking about the attached questions and then returning them to school. Either you or your child can write the answers.

Once these have been returned and class teachers have been finalised, we will be able to pass the information on to help your child's new class teacher prepare and make the transition as smooth as possible.

For every child who returns their sheet, s/he will receive 2 monster points for doing so.

We appreciate your support in this,

Mrs Sarah O'Mara
