Monday 17th April 2023

Dear Parent/Carer,

During the Summer term, Year 2 will be learning about rainforests with a focus of animals and their habitats. To enhance the children's learning even further, we have planned an exciting trip to **Chester Zoo on Friday 19th May 2023**. The focus of our trip will be to see a range of animals which are originally from the rainforests over the world, we will be understanding what they eat, how they get their food and what else they need to survive.

Children need to be at **school promptly for 7:45am** at the main reception and we will be arriving back to school at **5:30pm**.

It is important that your child wears their school uniform so we are able to recognise them easily.

We are asking for a voluntary contribution of **£20.00** to help fund transport and venue costs, **we are giving you the opportunity to pay in instalments to help you pay this amount**. If we do not receive enough funds the trip may not go ahead. We thank you for your cooperation.

Kind Regards,

Miss Burbidge and Miss Patel
Year 2 Class Teachers
