

Tuesday 6th January 2026

Dear Parents/Carers,

We are excited to inform you about an upcoming educational trip to the **Harry Potter Studios, London** on **Monday 27th April 2026**. This visit promises to be an enriching experience that combines creativity, imagination, and learning in a truly magical setting.

Why is this trip beneficial?

The Harry Potter Studios offer a unique opportunity for children to explore the world behind one of the most beloved literary series. Students will see how stories come to life through set design, costumes, and special effects. Experiencing this firsthand will deepen their understanding of storytelling techniques and inspire their own creative ideas.

Enhancing Creative Writing Skills

As part of the trip, students will participate in a creative writing workshop led by experienced educators. This session will encourage them to use their observations and experiences from the studios to craft vivid descriptions, develop characters, and build imaginative settings. By connecting real-world experiences with writing tasks, children will gain confidence and enthusiasm for expressing themselves creatively.

Educational Value

- Immersive exposure to professional storytelling and film production.
- Hands-on creative writing lesson tailored to inspire originality.
- Opportunities to link classroom learning with real-life applications.

We believe this trip will spark creativity and provide lasting memories that support academic growth.

Thank you for your continued support in making learning engaging and meaningful for our students.

We are asking for a voluntary contribution of **£20.00** to support the cost of the trip, if we do not receive enough funds the trip will not go ahead.

We would be grateful if you could make payment using Arbor which is our preferred method of payment

Kind regards,

Mr Lamble and Mrs Williamson
Year 5 Teachers
